

Khirafati confectionery WORLD

About us

With the vision to provide best confectionery products, Mr. Sureshlal Badlani founded Priya Enterprises in 2006. Our journey began with the manufacturing of sugar boiled confectionery with 100+ variety of Tablet Shaped Churan Goli, Hard Candy, Soft Candy, Spicy & Fruit Flavoured Balls, Choco Beans, Saunf, Jaljira Masala, Soft Drink Powder, Surprise Toy & Khajana Items, Glucose Candy, Mould Chocolates, Dry & Liquid Blister Products, Roll Wafers etc. To execute our journey we began our marketing from small villages, town & cities. Later on, Mr. Badlani's elder son Mr. Jitesh Badlani (Bunty) joined Priya Enterprises & this duo of father & son took the enterprise to another pinnacle. Their hard work took the enterprise on a larger scale.

Our passion motivated us to innovate & develop new products. In 2012, Mr. Ritesh Badlani (Mr. Badlani's younger son) joined the enterprises & launched 'Khurafati' Brand. 'Khurafati' became the premium brand & with the hard work now it's recognized among 100+ cities around India. Our journey is unstoppable & many more achievement stories are hidden in Future Box.

The success of our products remains in the guiding principles we follow to make our brand global
